President's Message

Howdy Airstreamers!

As I wind down my 1-year tenure, I am so excited to have such boundless energy following me as club president in Peter. Peter has so many ideas and plans to improve our club for you. I encourage you to be ready to volunteer to help Peter make his dreams reality; you and our club at large will benefit from his vision, energy, and leadership. Cheri and I so enjoyed Peter and Carol graciously joining us at our new summer hometown in Anacortes, WA while on their way from International in OR to the AK Caravan. We had a great time together, and it was fun to share our hometown with our Airstream friends.

Well, the weather didn't cooperate with our Rally plans in both Galveston and Rockport. As far as I know, no one made it to Galveston due to the forecast tropical storm, though Kevin Katz had a great weekend planned. Next time we plan a Galveston Rally, Kevin will be the go-to guy. Cheri and I made it to Rockport, and the Henning's and Dowdy's toughed out the rain too. All six of us were wowed by the Hurricane Harvey presentation made at the Chamber of Commerce. See the Rockport newspaper story in this newsletter about how a local couple was helped to rebuild their home after the hurricane (Diane at the Chamber told us our Christmas auction funds went directly to help rebuild their home).

Also, Friday night, Craig, Mary, Cheri, and I really enjoyed dinner at Glow, a favorite Rockport restaurant of ours.

Peter and Carol look to have a very fun and busy Rally, and Unit Caravan, schedule planned for 2019. What a nice departure to enjoy the State Parks of Texas, which are always some of the best camping experiences in Texas. McKinney Falls and Bastrop have always been two of our favorites, and we're really looking forward to Brazos Bend and Goliad again, and a new one for us in Cleburne. Christmas in Kerrville promises to be a wonderful time; Buckhorn has such awesome facilities. Very nice choices Peter!

I'm really looking forward to seeing many of you in Fredericksburg at our upcoming Rally. Thanks in advance to the Berdan's and Ferry's for hosting.

Keep the shiny side up,
Ed and Cheri

Prayer Concerns

Prayer Concerns

Our thoughts and prayers are with these folks who are grieving, under the weather, undergoing treatments, surgeries or are on the mend.

Don Bell will have shoulder surgery on his right shoulder on Wednesday, November 7th in Austin. Recovery time is expected to be 6-9 months! The Bells will meet with the surgeon on Monday, October 29th for a pre-operation consultation.

If you would like to send e-mails send them to: DONBELLJR@AOL.COM.

For cards send them to:
11217 Taterwood Drive,
Austin, TX 78750-2535.

Myrtle Bell, "The reason I'll need prayers is that Don is already talking about how he will be able to drive right after he gets home with his left hand! I'll let you know how his driving works in December."

Jean Beebe had a sizable amount of her large intestine removed. She is feeling great after such an invasive surgery. She can eat anything she wants now! She was making her first trip since May to the Texas Country Rally in Brownwood in October.

Tom Steinhagen: Tom is scheduled for back surgery sometime in November, he will miss activities until the first of the year.

Wayne Prentice fractured his back in late October. He will have to wear a brace for six weeks. He has had an MRI and will meet with his spine surgeon on November 1 to determine if surgery is required.

Community Service Project

I found a nice Food Pantry in Fredericksburg so I would like our members to please bring some nonperishable food to the rally for us to donate to That group.

Also, I had purchased some new t-shirts and toiletries for the Crisis Center in Galveston and still want to send them down there, so, if anyone else has lightweight items that they purchased for our last rally and would like me to send them with mine, they can bring them to the rally in Fredericksburg and I will gladly send them.

Note from Debbie Trimble:

The Rally Registration with THLU will sent out on Monday morning.

We need guests to sign up with the club. It helps in the following ways:

- provides an accurate count for food preparation and the caterer.
- assures that you will get the rally schedule, information or updates about the rally.
- helps with trying to keep the rally costs reasonable,
- saves time because hosts do not have to contact the park to know who is attending.
