AUGUST, 2011

President's Message~ Harvey Craig

Some of our members have returned home from summer trips and adventures while others are still enjoying cooler weather in Canada, Montana, Colorado, and New Mexico. Some plan to return to Texas later this month and in September while others do not plan to return until in October and November. I would like to list some of the summer travels by our members in our September and October Newsletters. Please e-mail me (eharv@msn.com) some of the places that you visited in your airstream this summer.

Remember that we have a **THLU Camp-Out at Bastrop State Park during the Labor Day Weekend, Friday, September 2 – Monday, September 5**. We only have **two** sites left open. Currently, we have the following members registered for the Labor Day Camp-Out: Beebes, Berdans, Burgers, Buzynskis, Craigs, Draves, Ferrys, W. Fischers, Gallaghers, and Shepards. Three of our members that are attending are still working and looking forward to getting out in their airstream even if it may still be very hot and dry. Howard and Grace Duff, long-time members who do not travel anymore due to health issues, hope to drive-in from their Bastrop home to visit the THLU members. This is a no-host rally with happy hours and pot luck dinners and breakfasts. **If you would like a site, please e-mail me at: eharv@msn.com or call my cell: 512/633-0380.**

Gail and I are currently still at our home in Ruidoso; however, we plan to depart on August 17 to travel to Santa Fe and attend the Santa Fe Experience Rally which is being held during the Indian Market Days. The Mooneys and McClanahans will be attending this New Mexico Unit's National Rally as well.

I wish all exciting adventures and safe travels this month.
