

# Texas Highland Lakes Unit

## February, 2011

### President's Message~ Harvey Craig

January and this month which of course included Valentine's Day. I hope that all had an enjoyable Valentine's Day. I know some of you received cards, flowers, dined out, and even had some candy. It is a time that we remember our loved ones as well as friends. In the last few years, our unit has held only one Valentine theme rally due to our Vintage Rally. In 2009, we used a Valentine theme for decorations at our Vintage Rally held at Braunig Lake in San Antonio. Since the Vintage Rally has moved from the month of February, Kathy Blanchard, our 1<sup>st</sup> VP, indicates that she may plan something special to celebrate Valentine's Day in 2012.

The Mid-Winter IBT Rally was held at Robstown on January 23-28. The rally had 120 rigs with some 260 people in attendance. Our unit had eight rigs plus a special couple in attendance. Members who

attended included: Harvey & Gail Craig; Willard & Linda Fischer, Myron & Kathryn Fischer; Jim & Janie Haddaway; Warner & Gail Hord from Maryland; Jimmy & Marque Mooney; Jim & Raisin Schwerdfeger; and John & Bobbi Tetzlaff.

The special couple in attendance was our newest affiliate members---Jerry & Joan Larson. Jerry & Joan had previously been THLU members; however, left recently. At a THLU Thursday dinner held at Land & Sea Restaurant in Corpus Christi, Joan said, "We're happy to be back . . . I wish that we had never left." I think most THLU members hold the same sentiment---please welcome Jerry and Joan back.

Thanks go out to Doug Wylie, former Region 9 President, who arranged for the IBT Rally facilities, catered meals, and enjoyable entertainment. C. C. Gartman, current Region 9 President, and his wife, Carla, also played a major role in organizing the rally. In addition, our own Jim Haddaway should be thanked for serving as Master of Ceremonies for the rally. In addition, Camper Clinic II in Buda, our local Airstream Service Center & Dealer, was a sponsor

It was great to see old friends from national rallies and former caravans from all over the United States and Canada. Many of our group took advantage and toured the King Ranch and museum in Kingsville; the USS Lexington Museum, and the Texas State Aquarium in Corpus Christi. In addition, all sampled some good seafood during the rally.

Region 9 was recognized and received the Award of Excellence and flag for the year ending June 30, 2010. Three other regions including Regions 3, 4, & 8 also received Award of Excellence recognition. Our unit has won every Unit Award of Excellence since the program was begun. John Irwin, our unit's past President, is working hard on the paper work for this award that is due to Headquarters by March 1, 2011.

This Mid-Winter IBT had some ten motions with which to deal. **Motion 1** was adopted which allowed the addition of the immediate past Regional President to be a part of the regional governing body. **Motion 2** was adopted which requires contracts for international rallies based upon realistic number of units estimated to be on site and limited any officer or employee of WBCCI to expend more than \$20,000 prior to January 1 of the year of the International Rally for rally expenses. **Motion 3** for a Georgia Unit flag was adopted. **Motion 4**

for the dissolving of the Genealogy Club as an intra club of WBCCI was adopted. **Motion 5** which was from Region 11 was withdrawn. This motion had received much pre-discussion. Region 11 withdrew the motion after it had been made clear that the original motion had not followed the steps as outlined in the WBCCI Constitution. Region 11 indicated that it would resubmit the motion, following the correct steps. **Motion 6** for an El Camino Real California Unit flag was adopted.

**Motion 7** was a THLU motion passed at our May 2010 business meeting dealing with the election of Nominating Committee Members and was presented by C.C. Gartman, President of Region 9. During the IBT Seminar, C.C. Gartman withdrew this motion; however, since I had already had the motion reviewed by Cindy Reed at Headquarters, Don Shafer and the Constitution and Bylaws Committee, Dona Garner, the International Parliamentarian; and also since this motion had slipped through the cracks at Region 9 after receiving it from THLU in May 2010, C.C. agreed to present it so a conclusion could be reached on the motion. The motion failed with a 1 – 18 vote with the regional presidents not seeing any need for the motion since currently any WBCCI member may put forward any WBCCI member to the Nominating Committee for any club office.

**Motion 8** was adopted which allows for gifts and bequests to WBCCI from individuals, trusts, and sets up various recognition levels for gifts to WBCCI. **Motion 9** for a new Texas Hill Country Unit flag passed. Finally, **Motion 10** to form a

motor home study committee with a report to the June 2011 IBT passed.

One motion and two issues seemed to dominate the general seminar as well as general meeting. **First**, the procedural issue over Region 11 Motion # 5 took much time to explain and resolve.

**Second**, the motor home issue was discussed at length. This issue is very complicated since Thor Industries does not intend to have its Airstream division build, market, warrant, or service any new motor homes in the foreseeable future. The President of Thor Motor Home Division did give some indication that they might consider “badgering” one of their motor homes with the Airstream logo; however, that all service, parts, warranty, and liability would rest with the motor home division and not the Airstream division. In addition, he indicated that an agreement would have to be worked out with current Airstream dealers and service centers. Also, it was indicated that a tangible interest in the purchase of such a product would need to be shown as well as WBCCI agreeing to accept purchasers of such a product into their Club.

Many current Airstream motor home members feel that they have been left in limbo both by Thor & Airstream as well as by WBCCI. Many want new motor homes. These owners want to remain a part of WBCCI---many of whom have been and are currently active at Unit, Regional, and International levels as well as many who are life members of WBCCI. A fact that I did not know came out during the motor home discussions. After WBCCI voted in June 2007 not to accept any motor home not manufactured by Airstream, Airstream stopped providing Airstream parts and service and additionally stopped providing \$30,000 for the International

Conventions/Rallies which it had done prior to 2008.

The **third** issue of most interest which may prove to be **the most important in the history of WBCCI** is a proposed new WBCCI Constitution and Bylaws. Work on the proposed new constitution is almost completed and will be released to all units soon. Units will then distribute it, analyze, discuss, and vote on it before the International Convention/Rally in Du Quoin, IL. The Delegates at the International Convention/Rally will amend and vote on this new constitution.

It was reported that the proposed new constitution is a leaner one with smaller number of regions, smaller executive board, and with a more member participatory oriented constitution, providing for direct election of all officers thru electronic means, and allowing more flexibility in the dates for the International Rally.

Every Article and Section of the current constitution has been changed. Thus, this year's International Convention/Rally may be the most important as well as most pivotal in the history of the Club. In my opinion, it may be one of the most important steps that the Club makes for moving forward in the twenty-first century.

Change is never easy or accepted easily; however, I view this as an exciting time for the Club and an opportunity to improve, grow, and sustain the Club well into the future. Change, it's time---and it's time for

members to decide.

The International Nominating Committee announced the Presidential candidates for next year; they are: Barry Heckenswiler, President; Don Clark, 1<sup>st</sup> VP; John Boutwell, 2<sup>nd</sup> VP; and John Stump, 3<sup>rd</sup> VP. A complete listing of candidates will be published in the April edition of "The Blue Beret."

During the first week of February, our area along with the entire State of Texas received some history making freezing weather. Hopefully, all of the Airstreams did not suffer any damage due to the freezing temperatures. I received reports from some of our members with temperatures ranging from 11 to 13 degrees and with winds near 60 mph. A friend from Ruidoso, New Mexico reported that they experienced a record 25 degrees below zero wind-chill temperature and had eighteen inches of snow---and we thought it was bad here in Texas.

Finally, on another note---our first President's Day Campout at McKinney Falls State Park, February 18-20 was a success, and it became a joint rally with the Heart of Texas Camping Unit from the Dallas/Fort Worth area. Attending the rally were: Tom & Jean Beebe; Bill & Lin Brinkman; Jonathan Crenwelge; Harvey & Gail Craig; Jim & Paula Haddox; John & Kay Irwin; Mike Lovell & Colin Melton; Jimmy & Marque Mooney; Mike Smith & Frank Saenz, in their new 2007 International Sea Breeze Airstream; Matt & Deanna Sheppard prospective transfer members from Houston and Texas visitors Mike & Carol

Zimmermann from Indianapolis, Indiana.

In addition, we had some twelve rigs from Heart of Texas Camping Unit come down from the Dallas area that included: Tom & Judy Bettes; Bill & Candy Fisher; Larry & Carolyn Goodwin; Daniel & Carol Howard; Bud & Jerry Jostrand;; Rick Newman, President of HOTCU and his wife, Dawn; Gunny Primrose, who also lives part-time in Austin; Wayne & LeAnn Russell, Bill Stallworth, Bob & Virginia Stanton, and Alan & Renee Wheeler.

The campout consisted of outstanding potlucks, breakfasts, and conversations. In addition, individuals enjoyed the various McKinney Falls State Park trails and historical sites. Rally goers went out on the town Saturday night, visiting Shady Grove where all enjoyed the Austin atmosphere and good food.

It was fun to make new friends and have all of the fun, fellowship, and camaraderie in a camp setting.

My President's Report was extremely long in this issue; however, many of our members expressed an interest in what took place at IBT, In addition, important changes seem to be happening within WBCCI, and I feel that it is vital that members are aware of what is taking place. I promise that as soon as I have received specific and reliable information concerning the proposed new WBCCI Constitution that I shall pass that information on to all members via e-mail

and through the unit newsletter.

## RSVP for the March Gateway to the Hills Buddy Rally in Boerne Needed by Wednesday, March 2

I understand that several of our Gateway to the Hills Buddy Rally hosts recently traveled to Boerne to plan the March 10-13 rally. The hosts for the rally include: John & Kay Irwin, Gene & Kathy Blanchard, Windy & Shirley Fleming, and Richard & Janet Turner.

Individuals who plan to attend the rally need to **RSVP** to the Flemings or Blanchard's **by Wednesday, March 2---** Shirley Fleming [seachng@yahoo.com](mailto:seachng@yahoo.com); 325/247-9454, or to Kathy Blanchard at [genebl@hillcountryweb.com](mailto:genebl@hillcountryweb.com); 713/301-7244. I know that some members will only be attending this rally on Saturday due to a caravan; however, I urge you to still RSVP to Shirley or Kathy so you will be included. You will only be responsible to pay Richard Turner for your Saturday night parking and any Saturday rally food expenses.

Remember that this is one of two of our Buddy Rallies this year. If you know of someone who has some other brand of RV and would like to invite them to join in some Airstream Rally fun, please extend a warm welcome and register them to attend this rally. Who knows, you might convince them to purchase an Airstream product and become a member of this unit!

A tentative rally schedule for the March Gateway to the Hills Buddy Rally can be found later in this newsletter.

## Many THLU Members Join March Caravans

Caravans are one of the best activities that WBCCI and individual Regions and Units

offer. The caravans not only provide great adventure for the lowest possible cost, but they provide opportunities for members to meet new individuals and to become closer friends with fellow Airstreamers. Often life-time friendships have been formed while on caravans.

A number of our members will not be able to attend our Buddy Rally in Boerne since they will be participating in various WBCCI Caravans. Several of our members will be on the Louisiana Cajun Heritage National Caravan. Fred & Judy Hazen will be on the Civil War, Part 1 National Caravan. In addition, 22 of our members will be joining my mother, Gail, and me on an eleven day THLU Caravan which will depart from the Boerne Rally on Sunday, March 13 and go to the Davis Mountains and Big Bend areas.

Openings still exist on the THLU Ruidoso, New Mexico Caravan, U-393 which will depart at the end of our Rock, Rattle, & Roll Rally held in Perrin, Texas on Sunday, October 9 for an eleven day adventure to Ruidoso, the Sierra Blanca Mountain Range, Lincoln National Forest, and Carlsbad, New Mexico. The cost is \$500 for two. Specific information as well as a registration form

may be downloaded from our website: [www.thlu.org](http://www.thlu.org) under "Caravans." If you still have not done so, register for this unit caravan and join in on the adventure & fun.

## **Members Should Mail-In Region 9 Rally Registrations**

Region 9 will hold its regional rally at the Taylor County Expo Center in Abilene, Texas March 28 – April 2. The cost of the rally is \$50 per adult and \$20 per night parking fee. The rally fee includes three breakfasts, three dinners, entertainment, and activities. Parking includes electricity and water with dump site.

More information concerning the rally can be found at the Region 9 website or by contacting C.C. Gartman, Region 9 President at: [ccgartman@hughes.net](mailto:ccgartman@hughes.net) or 940/928-2314 or 817/521-2797. In addition, registration coupons can be downloaded from the website and should be sent along with entry fee payment to THLU member, Willard Fischer who is Region 9 Treasurer. Once I have received a more specific rally schedule and information, I shall inform our members.

## **Make Plans for Caravan to Abilene for the Region 9 Rally**

THLU will have a caravan to Abilene for the Region 9 Rally. The caravan will depart on Sunday, March 27 with overnight camping at Coffee Creek RV Resort near Santos, Texas with arrival at the Taylor Expo Center in Abilene on the morning of Monday, March 28.

If you are interested in being on this caravan or in joining members at the Coffee Creek RV Resort on Sunday, March 27, please make a reservation with me by Saturday, March 12 at: [eharv@msn.com](mailto:eharv@msn.com) or call 512/633-0380. In addition, if you plan to attend the Region 9 Rally and want to park

with THLU rigs, I must know by March 12 in order to let the Region 9 parkers know, so they will know how many sites to save for THLU rigs.

## **Lone Star Vintage Club Hosts a Texas/Oklahoma Chisholm Trail Boondocking Campout, April 14-17, 2011**

Paul Mayeux of the Heart of Texas Camping Unit along with THLU member Pat McDowell have announced the 2<sup>nd</sup> Lone Star Vintage Airstream Club Campout that will be held at the LBJ National Grasslands which comprises more than 20,250 acres near Decatur, Texas on April 14-17. This campout is a boondocking event open to all VAC (Vintage Airstream Club of WBCCI) members.

The campout will feature Kent Rollins, who is the official chuck-wagon cook of Oklahoma and winner of several chuck-wagon cook off awards, and in a 1800's chuck wagon; typical happy hours; Thursday night "Cowboy Gumbo Pot"; Friday night pot luck; Saturday night catered dinner; breakfasts Friday and Saturday mornings; and an Open House for all attendees with vintage trailers on Saturday.

The cost of the campout is \$60 per person. The deadline for registration is Thursday, March 31<sup>st</sup>. One should contact Paul Mayeux at: 2194 County Road 3555, Paradise, Texas 76073; phone: 817/919-3651 or 817/919-6098 for more information or for a registration form.

## **7<sup>th</sup> Texas Airstream Vintage "Round-Up" National Rally Plans Proceed for Glen Rose**

Vintage Rally Standing Committee Members who were present at the THLU February 1 lunch at Luby's met after the

lunch to review plans for our May 12-16 Vintage Rally. The rally is shaping up to be an outstanding one with activities and seminars for all---owners of both vintage and non-vintage Airstreams. A catered Mexican Dinner and a catered Barbeque Dinner are planned along with two pot luck dinners. In addition, country and western entertainment is planned on Friday evening and Down Home Blue Grass entertainment on Saturday evening. A Swap and Sell Meet will be held on Sunday along with an Open House not only for vintage rigs but for all owners of Airstream products including new rigs.

The Vintage Rally will be held at the Tres Rios River Resort Ranch in Glen Rose, Texas which will feature full hook-ups. Free time has been scheduled on Friday morning to allow rally attendees to have a chance to visit the Fossil Rim Wildlife Center which has a 9.5 mile drive where individuals can see exotic and endangered animals and even hand feed giraffes from one's vehicle window or sun roof. In addition, visitors to Glen Rose can visit the Dinosaur Valley State Park to see and perhaps walk in the dinosaur tracks made over 113 million years ago. While in Glen Rose, guests can also visit Dinosaur World which has 100 life-size replicas of different dinosaurs. Finally, rally attendees can shop Glen Rose which offers small town hospitality or test their skills on the local golf course.

This rally has been advertised all over the United States and the February issue of the "Blue Beret" features an advertisement for it in a center-fold glossy pull-out. The rally was recently mentioned and advertised at the IBT Rally held in Robstown where it was well received. Vintage Rally information and advertisements can be found on our unit website, Region 9 website, Airforum

website, Vintage Airstream Club website, WBCCI website, and in the "Blue Beret."

All THLU members are urged to attend--- and not only attend the rally; but, more importantly, assist members with hosting and conducting the rally. It is known that through joint work and effort, unit and member bonds can be made even stronger. So, register for the Vintage Rally and have some fun by joining fellow THLU members in hosting a rally that will be interesting and fun for all! Remember that this rally will NOT be hosted next year in 2012. THLU plans to host the 8<sup>th</sup> Vintage Rally sometime in 2013; therefore, do not miss all the fun this year!

Registration forms can be down loaded from our website: [www.thlu.org](http://www.thlu.org) and mailed to Jean Beebe, Vintage Rally Registrar at: 503 Chihuahua Trail, Austin, Texas 78745. Jean's phone is: 512/444-7509 or 512/745-4201. Specific questions about the rally can be directed to Harvey Craig at: [www.eharv@msn.com](mailto:www.eharv@msn.com) or 512/633-0380.

### **Congratulations Sent to THLU Member Miranda Lambert**

THLU members send huge congratulations out to Miranda Lambert who recently received seven Academy of Country Music Award Nominations---the most received by any country music musician this year. Miranda earned her first ACM Entertainer of the Year recognition when she joined Ronnie Dunn at the Country Music Hall of

Fame and Museum in Nashville to announce this year's list of nominees. Miranda was joined by Jason Aldean, Toby Keith, Brad Paisley, Taylor Swift, and Keith Urban in the entertainer of the year category.

Miranda joined our unit at our Lady's Appreciation Rally held in Canton in October 2009. As a nationally recognized musician, Miranda stays extremely busy; however, THLU members hope that once she is not so "tied down" and has some time to wind down that they will have a chance to get to know this talented lady better at one of our rallies. The THLU family is very proud of Miranda and her entertainment industry achievements and awards!

Did you know that Miranda has a song entitled, "Airstream Song" in which she sings about living in one of her Airstreams ". . . with homemade curtains . . . like a gypsy . . . not tied down"? If not, you should pick up her "Revolution" CD and listen to track 6.

## THCU Re-Establishes the San Antonio Fiesta Rally in 2012

Even though the rally has just recently been approved and open for applications, **I understand that it is already one-half full.** Therefore, if any THLU members are interested in this rally April 22-29, 2012, they should mail in a \$200 deposit to: Joe Long/Gayle Ketchum, 15251 Miller Road, St. Hedwig, TX 78152.
